TARGET AUDIENCE

Weill Cornell physicians in urology, other interested physicians and health care providers, and students.

STATEMENT OF NEED

Advances in urology should be presented on a regular basis as one means of updating physicians on the latest developments in their specialty.

COURSE GOALS & OBJECTIVES

Weill Medical College of Cornell University CME Activities are intended to lead to improved patient care. By the conclusion of this series, physicians should have a better understanding of recent developments in urology which in turn should lead to improvements in clinical care.

FACULTY DISCLOSURE

It is the policy of Weill Medical College of Cornell University to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All disclosures will be made at the time of this CME activity.

Information regarding disclosures of attendees and speakers of the above conferences will be made available the day of the conference.

ACCREDITATION

Weill Medical College of Cornell University is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Weill Medical College of Cornell University designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*TM per conference. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Evaluations for regularly Scheduled Conferences (RSCs) are conducted periodically throughout the year. If you have questions or concerns regarding the content or presentation of this session including any conflict of interest please contact Tonya McKnight at 212-746-5461.
