

CURRICULUM VITAE

Peter N. Schlegel, M.D.

Starr 900, Department of Urology
The New York Presbyterian Hospital-
Weill Medical College of Cornell University
525 East 68th Street
New York, NY 10021
e-mail: pnschleg@med.cornell.edu

Phone: (212) 746-5491
Fax: (212) 746-8425

Education:

A.B.	Hamilton College Clinton, New York	Chemistry & Mathematics	1979
M.D.	University of Massachusetts Medical School Worcester, Massachusetts		1983

Professional Experience:

1983-4	Intern, General Surgery The Johns Hopkins Hospital
1984-5	Junior Assistant Resident, General Surgery The Johns Hopkins Hospital
1985-8	Junior Assistant Resident, Urology Assistant Resident, Urology Resident, Urology The Johns Hopkins Hospital Baltimore, Maryland
1989	Instructor in Urology The Johns Hopkins Hospital Baltimore, Maryland
1989-1991	Fellow-in-Residence The Population Council Clinical Fellow The New York Hospital-Cornell Medical Center New York, New York
7/91-12/03	Staff Scientist
1/04 – present	Senior Scientist The Population Council

7/91-6/96 Assistant Professor of Surgery(Urology)
7/96-5/04 Associate Professor of Urology (with Tenure, 2002)
1/99-6/01 Vice-Chairman for Clinical Affairs, Department of Urology
1/99-11/03 Co-Director, Center for Male Reproductive Medicine & Microsurgery,
Cornell Institute for Reproductive Medicine
Associate Professor of Reproductive Medicine
7/01-11/03 Acting Chairman, Department of Urology
Acting Urologist-in-Chief,
1/03 – present Program Director, Urology Residency Training Program
11/03 – present Chairman, Department of Urology
Urologist-in-Chief, New York Presbyterian/Weill Cornell
6/04 – present Professor of Urology,
Professor Reproductive Medicine
Weill Cornell Medical College
New York, New York
12/91- present Visiting Associate Physician
Rockefeller University Hospital
Rockefeller University
New York, New York

Professional Organizations:

Diplomate, National Board of Medical Examiners
Diplomate, American Board of Urology
Member, American Society for Reproductive Medicine
[ASRM Practice Committee 1999-2005, Program Committee 2003-2004, Board of Directors
2004-2007; Finance Committee 2004-2007; Executive Committee 2006-7; Chair, Finance
Committee, 2006-2007]
Member, Society of Reproductive Surgeons (ASRM)
[Assistant Secretary/Treasurer, 2003-2004, Secretary/Treasurer 2004-2005,
Vice-President 2005-2006, President 2006-2007, immediate Past President 2007-8]
Member, Society of Male Reproduction/Urology (ASRM)
[Board of Directors; 1997-1999; Secretary/Treasurer: 2002-2003;
President-Elect: 2003-2004; President: 2004-2005, Past-President 2005-6]
Member, American Society of Andrology (Executive Council; 1995-98)
Member, Society for Study of Reproduction
Member, Society for Basic Urological Research
Member, American Urological Association
Secretary, Society for the Study of Male Reproduction (1999-2001)
Vice-President, Society for the Study of Male Reproduction (2001-2002)
President, Society for the Study of Male Reproduction (2002-2003)
Research Council, Alternate (1999-2001; 2003-2005)
Prize Essay Committee (2002-2003)
Publications Committee (2005-2010)
AUA Update Series Advisory Committee (2006-2009)
Member, New York Section of AUA
Member, Society of University Urologists
Member, American Association of Genitourinary Surgeons (2004-)
Member, Clinical Society of Genitourinary Surgeons (2005-)
American Foundation for Urologic Disease/AUA Research Council
Fellow, New York Academy of Medicine
Advisory Committee, Urology Section, (1999-2003)

New York Clinical Society (Secretary, 2001-2002; Vice President 2002-2003, President 2003-4)
New York Medical/Surgical Society (2007-)
Urological Research Society (1990-)
New York City Medical Reserve Corps (2006-)
JU Editorial Board; NYS Rep, (2006-2009)
Male Infertility Update Panel; Member, (2007-2008)
Publications Committee; Vice Chair, (2008-2009)
Update Series Advisory Committee; Member (2006-2009)

Board Certification:

American Board of Urology (February, 1993)
Recertification (2000); expires February 28, 2013

Professional Honors/Review Groups:

Member, Alpha Omega Alpha Honor Society
Fellow, American Cancer Society, 1986-7
NIH Endocrine Research Fellow (NIH# 2 T32 DK 07313-11), 1989-91
Visiting Fellow, Royal College of Surgeons/England, 1993
Scientific Reviewer, NIH/NIDDK Ad Hoc Study Section,
HIV infection in genitourinary tract, 1996
Scientific Reviewer, NIH/NICHD Special Emphasis Panel, Specialized Cooperative Centers Program in
Reproduction Research (RFA HD 96-008), 1997
Member, Scientific Advisory Committee, Cornell General Clinical Research Center
American Board of Urology/AUA Examination Committee (Task force member, Chairman Task force
B), 1997-2000
American Board of Urology/AUA Examination Committee (Senior Consultant, Imaging), 2002-2006
Task Force of Fertility Services in the Direct Care System (Department of Defense), 9/98
Review Committee, Edwin Beer Program, New York Academy of Medicine, 1999-2004
Scientific Reviewer, NIH/NICHD(Ad hoc), P01 Grant application, May 20-21, 1999
Review Committee, Prize Essay Contests, American Urological Association, 1999-
American Urological Association Best Practice Policy Committee (Male Infertility), 1999-2001
Review Committee, Urology Fellowships/New Investigator awards, National Kidney Foundation of
New York/New Jersey, 1999-2002
Edwin Beer Review Committee, NY Academy of Medicine 2000-2005
Chairman, Edwin Beer Review Committee 2001-2004
NICHD/NIH, Population Research Review Committee, 2000-2003
NICHD/NIH, Special review panel (Chairman), P01 Male infertility, 2006
Reproduction, Andrology & Gynecology Subcommittee,
NICHD Initial review group, NICHD/NIH 2003-2004
American Foundation for Urologic Disease,
Medical Advisory Council, 2000-2005
Reproductive Health Council, 2000-2005
Committee on Applicants (Manhattan District), American College of Surgeons 2000-
Medical Advisory Board, Kidney & Urology Foundation, 2002-
Ethicon Lecture (Plenary Session), ASRM Annual Meeting, 2003
Board of Trustees, Kidney & Urology Foundation of America, 2002-
Medical Advisory Board, National Kidney Foundation of Greater New York, 2005-
Men's Health Task Force, The Hormone Foundation (The Endocrine Society), 2005-
Johns Hopkins University Society of Scholars (Inducted 2007)
Director of Infertility, SIO Healthcare Advisors (2008-)
Advisor, Healthcommunities.com
NIH/NICHD MRHR K12 Advisory Committee (UCSF) 2007-

Editorial Boards:

Co-Editor, Journal of Andrology (2002-2007)
Section Editor, British Journal of Urology (BJU) International, (2002-)
Current Opinion in Urology, Andrology Section (2005-)
Timely Topics in Medicine – Urology (US) (2007-)
Journal of Andrology (1995-8)
Clinical Evidence (Section advisor, Men's Health), (2002-)
Journal of Urology (2005-)
Journal of Urology (Investigative Section; 1997-2006)
Techniques in Urology (Section Editor) 1(1995-1999)
Fertility Today, (2004-)
FertilText
Expert Review of Obstetrics & Gynecology, (2006-)
Faculty of 1000, (2005-)
Associate Editor, Weill Cornell Medical College Urology Reports (2007-)
International Board of Archivos Espanoles de Urologia (Editorial Committee)
(2008-2010)
Urologia Internationalis, Editorial Board (2008-)

Licensure:

New York State, 1989 (#177894-1)
Certified Genetics Laboratory Director
NY State DOH, Serial # CQP11477; CQ code: SCHLP1

Awards:

American Infertility Association Award for Special Contribution and Continued Devotion to Family Building, 1999
Ambrose Reed AUA Socioeconomics Essay Contest, First Prize, 1998
Best Assisted Reproductive Technology Video, American Society for Reproductive Medicine, 1997
RESOLVE New York City Chapter Award, September, 1997
Established Clinician Award, European Society for Human Reproduction and Embryology, Maastricht, The Netherlands, 1996
Best Urology video, American Society for Reproductive Medicine Annual Meeting, 1995.
Co-Author, Hamilton-Thorn Prize for best paper in the Journal of Andrology, 1994
Male Reproduction/Urology prize paper, American Society for Reproductive Medicine Annual Meeting, 1995.
Edwin Beer Program Recipient, The New York Academy of Medicine, 1996
Who's Who [Strathmore's] (1998-)
Listed, "How to find the Best Doctors" (NY Metro Area) Castle Connolly Medical Ltd.(1999-)
Listed, "Best Doctors in New York," New York Magazine (2000-)
Listed, "America's Top Doctors," Castle-Connolly Guide (2001-)
Listed, "Guide to America's Top Physicians" (2003-)
Listed, "America's Top Doctors for Cancer" (2005-)
Marquis' Who's Who in the East (1996-)
Marquis' Who's Who in Science and Engineering (2002-)
Marquis' Who's Who in Medicine and Health Care (2002-)
Marquis' Who's Who in America (2001-)
Marquis' Who's Who in the World (2002-)
Outstanding People of the 21st Century (2001-)
21st Century Award for Achievement (International Biographical Centre)

Hewlett-Packard Scholarship, 1975
Clifford Williams Award, 1978
Coleman Burke Fellowship Award, 1979

Research Grants:

Current::

Pharmacia Corporation (to NYPH)
Exemestane in the Treatment of Male Infertility
PI: Peter N Schlegel, M.D.
Total award: \$140,000

Aromatase Inhibitor in Males with Adrenal Hyperplasia
PI: K. Sarafoglu, M.D.
NIH/NICHHD: R03 HD046531-01
Direct award: \$100,000

Past: Clinical Fellow, American Cancer Society, 1986-7 (Total award: \$22,000.)

Fellow, American Foundation for Urological Disease, 1989-91 (Total award: \$44,000.)

New Investigator Award, American Foundation for Urological Disease, 1993-5
(Total award: \$ 100,000.)

Continuous administration of an LHRH agonist by hydrogel implant for prostate cancer, Principal Investigator. United States Agency for International Development, via International Committee for Contraceptive Research, The Population Council. 7/95 - 6/96 Grant #CB95.091A/ICCR (Total costs: \$21,076.)

Effect of constant infusion of MENT on LH and FSH pulsatility, Principal Investigator. United States Agency for International Development, via International Committee for Contraceptive Research, The Population Council. 7/95 - 6/96 Grant #CB95.090A/ICCR (Total costs: \$32,020.)

Effect of constant infusion of MENT on LH and FSH pulsatility, Principal Investigator. United States Agency for International Development, via International Committee for Contraceptive Research, The Population Council. 7/96 - 1/97 Grant #CB96.084A/ICCR (Total costs: \$20,700.)

General Clinical Research Center (Cornell): Principal Investigator,
Role of abnormal GnRH pulsatility in idiopathic male infertility. (Estimated costs: \$75,000.)
PHS Research Grant RR00047 from the General CRC Program of NIH; 9/91 - 8/96

Continuous administration of an LHRH agonist by hydrogel implant for prostate cancer, Principal Investigator. United States Agency for International Development, via International Committee for Contraceptive Research, The Population Council. 7/96 - 6/97 Grant #CB96.085A/ICCR (Total costs: \$19,218.)

Effect of reactive oxygen species on male infertility, Principal Investigator. New York Academy of Medicine. Dates of study: 7/96-6/98. (Total costs: \$75,000.)

Pharmacia Corporation (to NYPH)
Exemestane in the Treatment of Male Infertility
PI: Peter N Schlegel, M.D.
Total award: \$140,000

Aromatase Inhibitor in Males with Adrenal Hyperplasia
PI: K. Sarafoglu, M.D.
NIH/NICHD: R03 HD046531-01
Direct award: \$100,000

NIH NICHD:
R03 HD046531-01
Aromatase Inhibitor in Males with Adrenal Hyperplasia
PI: Kyriakie Sarafoglou, M.D.
Co-investigator/mentor: Peter N. Schlegel, M.D.

Astra-Zeneca Corporation
Relationship of spermatogenesis to aromatase activity
PI: Peter N. Schlegel, M.D.
Total direct costs: \$50,000

R03 application
IGF-1 Pathway and Prostate Cancer
Principal Investigator: Julianne Imperato, M.D. (Cornell)
Co-Investigator: Peter N. Schlegel

N01-CN-250000-39
Phase I/II Clinical Trials of Cancer Chemopreventive Agents
"Strang Cancer Chemoprevention Consortium for Phase I and Phase II Clinical Trials of Cancer Chemopreventive agents"
PI: Michael P. Osborne, M.D.
Co-Investigator: Peter N. Schlegel, M.D.

Pending:

1R01 HD042102-01A1
Regulatory Mechanisms of Germ Cell Apoptosis
Principal Investigator: Patricia L. Morris, Ph.D. (Population Council)
Co-Investigator: Peter N. Schlegel

1R01 AG022542-01
Aging and Commitment of Progenitors: Growth Regulation
Principal Investigator: Patricia L. Morris, Ph.D. (Population Council)
Co-Investigator: Peter N. Schlegel

24. Aulitzky WK, Schlegel PN, Li PS, Goldstein M, Phillips DM, Bardin CW: Testicular injury induced by hypothermia and ischemic hypothermia. Abstract presented at the 1991 Annual Meeting of the American Society of Andrology, April 27-30, 1991, Montreal, Quebec, Canada.
25. Aulitzky W, Li S, Wu D, Cheng CY, Chen C-L, Schlegel P, Goldstein M, Goldstein M, Reidenberg MM, Vaughan ED, Bardin CW: Clusterin - Ein neuer parameter zum monitoring von nephrotoxitat. Abstract presented at Deutschen Gesellschaft fur Urologie, September 26-29, 1990, Hamburg, Germany. [Urologe 29(Suppl):A108, 1990.]
26. Li PS, Goldstein M, Schlegel PN, Bardin CW: Rapid disappearance of spermatozoa after vasocclusion in the dog. Abstract presented at the 1991 Annual Meeting of The American Society of Andrology, April 27-30, 1991, Montreal, Quebec, Canada.
27. Beck EM, Schlegel PN, Goldstein M: Varicocele Anatomy, A Macro and Microscopic Study. Abstract presented at the 47th Annual Meeting of The American Fertility Society, October 19-24, 1991, Orlando, Florida.
28. Ilaria G, Polsky B, Koll B, Baron P, MacLow C, Armstrong D, Jacobs J, Schlegel P: Detection of HIV-1 DNA in pre-seminal fluid. Abstract presented at the VIIIth International Conference on AIDS, July 19-24, 1992, Amsterdam, The Netherlands.
29. Schlegel PN, Rosenwaks Z, Cohen J, Goldstein M, Berkeley AS, Gilbert BR, Grifo J, Davis OK, Graf MJ: Micropuncture of the human epididymis: Treatment for infertile men. Abstract presented at the 11th Congress of the International Microsurgical Society, June 21-26, 1992, Rhodes, Greece.
30. Henry JM, Schlegel PN, Goldstein M: Oral clomiphene citrate for treatment of infertile men with hypoandrogenism. Abstract presented at the 48th Annual meeting of the American Fertility Society, November 2-5, 1992, New Orleans, Louisiana.
31. Schlegel PN, Berkeley AS, Goldstein M, Alikani M, Adler A, Gilbert BR, Cohen J, Rosenwaks Z: Epididymal micropuncture with IVF for treatment of surgically unreconstructable vasal obstruction. Abstract presented at the 48th Annual meeting of the American Fertility Society, November 2-5, 1992, New Orleans, Louisiana.
32. Hendin BN, Schlegel PN, Goldstein M: Microsurgical reconstruction of iatrogenic injury to the vas deferens. Abstract presented at the 48th Annual meeting of the American Fertility Society, November 2-5, 1992, New Orleans, Louisiana.
33. Vaughan ED Jr, Schlegel PN: Percutaneous hydrocele ablation. Presented at the New York Section meeting of the American Urological Association, Berlin, Germany, October 17-24, 1992.
34. Schlegel PN, Matthews ED, Goldstein M, Phillips DM, Bardin CW: Role of abnormal GnRH pulsatility in maturation arrest: Preliminary report. Abstract presented at the 88th Annual meeting of the AUA, San Antonio, Texas, May 16-20, 1993.
35. Henry JM, Schlegel PN, Goldstein M: Oral clomiphene citrate for treatment of infertile men with hypoandrogenism. Abstract presented at the 88th Annual meeting of the AUA, San Antonio, Texas, May 16-20, 1993.
36. Chen ME, Schlegel PN, Goldstein M: The prognostic significance of vasal fluid appearance and duration

- of obstruction in patients with intravasal azoospermia. Abstract presented at the 88th Annual meeting of the AUA, San Antonio, Texas, May 16-20, 1993.
37. Vukasin AP, Schlegel PN, Goldstein M: Influence of varicocelectomy on human oocyte fertilization and pregnancy after failed in vitro fertilization. Abstract presented at the 88th Annual meeting of the AUA, San Antonio, Texas, May 16-20, 1993.
 38. Schlegel PN, Ball SC, Jacobs JL: Necrotic genital lesions in the HIV-positive patient: Possible indication for prompt surgical intervention. Abstract presented at the IXth International Conference on AIDS, Berlin, Germany, June 7-11, 1993.
 39. Runic R, Cichon Z, Bardin CW, Schlegel PN: Segmental regulation of clusterin mRNA levels in the rat epididymis. Abstract presented at the 50th Laurentian Hormone Conference, Palmas del Mar, Puerto Rico, November 13-17, 1993.
 40. Schlegel PN, Sosa RE: Balloon dilation of ejaculatory duct obstruction: Minimally invasive adjunctive treatment for obstructive male infertility. Abstract presented at the 13th International Symposium on Operative Andrology, Budapest, Hungary, 1994.
 41. Schlegel PN, Cohen J, Alikani M, Adler A, Reing A, Palermo G, Rosenwaks Z: Micropuncture retrieval of epididymal sperm with IVF: Importance of micromanipulation techniques. Abstract presented at the 13th International Symposium on Operative Andrology, Budapest, Hungary, 1994.
 42. Matthews GJ, Schlegel PN, Goldstein M: A microsurgical technique for creation of an autogenous tunica vaginalis sperm reservoir. Abstract presented at the 13th International Symposium on Operative Andrology, Budapest, Hungary, 1994.
 43. Su L-M, Schlegel PN, Goldstein M: Effect of varicocelectomy on serum testosterone levels in infertile men with varicoceles. Abstract presented at the 89th Annual Meeting of the AUA, San Francisco, California, May 15-20, 1994.
 44. Matthews GJ, Goldstein M, Schlegel PN: The development of pyospermia on clomiphene citrate therapy. Abstract presented at the 89th Annual Meeting of the AUA, San Francisco, California, May 15-20, 1994.
 45. Schlegel PN, Matthews ED, Goldstein M, Bardin CW: Exogenous pulsatile GnRH in maturation arrest: Effect on LH pulse parameters. Abstract presented at the 1994 annual meeting of The Endocrine Society, Anaheim, California, June 15-18, 1994.
 46. Schlegel PN, Matthews ED, Goldstein M, Bardin CW: Exogenous pulsatile GnRH in maturation arrest: Effect on semen parameters and fertility. Abstract presented at the 1994 annual meeting of The Endocrine Society, Anaheim, California, June 15-18, 1994.
 47. Schlegel PN, Adler A, Alikani M, Reing AM, Palermo GD, Cohen J. Retrieval of testicular sperm with assisted reproduction does not improve spermatozoal yield over epididymal retrieval alone. Abstract presented at the 50th annual meeting of the American Fertility Society, San Antonio, Texas, November 5-10, 1994.
 48. Schlegel PN, Sosa RE. Balloon dilation of ejaculatory duct obstruction: Minimally invasive adjunctive treatment for obstructive male infertility. Abstract presented at the 50th annual meeting of the American Fertility Society, San Antonio, Texas, November 5-10, 1994.
 49. Schlegel PN, Cohen J, Goldstein M, Alikani M, Adler A, Gilbert BR, Palermo GD, Rosenwaks Z. Cystic fibrosis gene mutations do not affect sperm function during IVF with micromanipulation for men with

- bilateral congenital absence of the vas. Abstract presented at the 50th annual meeting of the American Fertility Society, San Antonio, Texas, November 5-10, 1994.
50. Matthews GJ, Schlegel PN. Recent advances in vasectomy. Assisted Reproductive Technology & Andrology Conference, Innsbruck, Austria, July 29-31, 1994. 1994 ARTA award for male contraceptive technology.
 51. Schlegel PN, Shin D, Goldstein M: Urogenital anomalies in men with congenital absence of the vas deferens. Presentation at the 90th Annual meeting of the American Urological Association, Las Vegas, Nevada, April 23-28, 1995.
 52. Schlegel PN, Moo-Young F, Kuzma P, Bardin CW, Nash HA: Long term effectiveness of testicular androgen suppression with a GnRH agonist, delivered by a hydrogel implant. Presentation at the 90th Annual meeting of the American Urological Association, Las Vegas, Nevada, April 23-28, 1995.
 53. Zini A, Schlegel PN: Expression of catalase mRNA in the adult male rat reproductive tract, and in the rat testis during sexual maturation. Abstract presented at the 20th annual meeting of the American Society of Andrology, Raleigh, North Carolina, March 31-April 4, 1995.
 54. Jow WW, Chen G, Schlegel PN, Goldstein M, Bardin CW: Developmental profile of Cu,Zn-superoxide dismutase gene expression in rat epididymis. Presentation at the 90th Annual meeting of the American Urological Association, Las Vegas, Nevada, April 23-28, 1995.
 55. Schlegel PN: Urogenital anomalies in men with congenital absence of the vas deferens. Abstract presented at the 14th International Symposium of Operative Andrology, London, England, March 9-11, 1995.
 56. Schlegel PN: The effect of CFTR gene mutations on results with epididymal sperm and IVF. Abstract presented at the 14th International Symposium of Operative Andrology, London, England, March 9-11, 1995.
 57. Zini A, O'Bryan MK, Schlegel PN: The immunohistochemical localization of nitric oxide synthase (NOS) in the human male reproductive tract and in spermatozoa, suggests a possible role for NOS in spermatogenesis and sperm maturation and an association with subfertility. Abstract presented at the Fourth International meeting on Biology of Nitric Oxide, Amelia Island, Florida, September, 1995.
 58. O'Bryan MK, Zini A, Schlegel PN, Cheng CY. The cyclic expression of nitric oxide synthase in the rat testis is suggestive of a role for NOS in spermatogenesis. Abstract presented at the Fourth International meeting on Biology of Nitric Oxide, Amelia Island, Florida, September, 1995.
 59. Zini A, Goldstein M, Schlegel PN: Expression of glutathione peroxidase mRNA in the adult male rat reproductive tract, and in the rat testis during sexual maturation. Abstract to be presented at the 51st Annual meeting of the American Society of Reproductive Medicine, Seattle, Washington, October 7-12, 1995. * - **Recipient of Male Reproduction/Urology Section Prize Paper award.**
 60. Schlegel PN: Is varicocelectomy a cost-effective treatment for male infertility in the ICSI era? Abstract to be presented at the 51st Annual meeting of the American Society of Reproductive Medicine, Seattle, Washington, October 7-12, 1995.
 61. Moo-Young AJ, Kuzma P, Schlegel P, Bardin CW, Sundaram K, Frick J: A hydrogel implant system for the sustained delivery of GnRH agonists. Abstract presented at a Satellite symposium of the 15th World Congress on Fertility and Sterility, Bologna, Italy, September 15-6, 1995.
 62. Schlegel PN, Shin D, Goldstein M: Association of CFTR mutations and congenital absence of the vas

- deferens: BSAV is not always a genital form of CF. *Ped. Pulmonology*, Suppl 12, p. 208, 1995.
63. Zini A, O'Bryan MK, Schlegel PN. "Nitric Oxide Synthase (NOS) Activity in Human Seminal Plasma", Abstract presented at American Society of Andrology, 21st Annual Meeting, Minneapolis, Minnesota, 4/25/96-4/29/96.
 64. Zini A, Goldstein M, Schlegel PN. "Alterations in Catalase and Glutathione Peroxidase mRNA Expression in the Rat Testis After Surgical Cryptorchidism and Efferent Duct Ligation" Abstract presented at American Society of Andrology, 21st Annual Meeting, Minneapolis, Minnesota, 4/25/96-4/29/96.
 65. Zini A, O'Bryan MK, Magid M, Schlegel PN. "The Localization of Nitric Oxide Synthase in Human Testis, Epididymis and Vas Suggests a Role for Nitric Oxide in Spermatogenesis and Sperm Maturation", P43, AUA Ninety-First Annual Meeting, Orlando, Florida, 5/4/96-5/9/96.
 66. Schlegel PN. Physiological consequences of testicular sperm extraction. *Human Reprod* 11:(Abstract book 1) 74, 1996 [Abstract 159, presented at the 12th Annual Meeting of ESHRE, Maastricht, The Netherlands, June 30- July 3, 1996.]
 67. Shin D, Palermo GD, Goldstein M, Rosenwaks Z, Schlegel PN. "Indications for Corticosteroids Prior to Epididymal Sperm Retrieval", Abstract presented at European Society of Human Reproduction and Embryology(ESHRE), 12th Annual Meeting, Maastricht, The Netherlands, 6/30-7/3/96.
 68. Pavlovich CP, Schlegel PN. Fertility options after vasectomy: Is assisted reproduction the best initial approach? Poster P-29, presented at the 52nd Annual meeting of the American Society for Reproductive Medicine, Boston, Massachusetts, November 2-6, 1996.
 69. Girardi SK, Mielnik A, Schlegel PN. Microdeletions of the Y chromosome in men with severe male factor infertility. Oral presentation O-55 at the 52nd Annual meeting of the American Society for Reproductive Medicine, Boston, Massachusetts, November 2-6, 1996.
 70. Zini A, Schulsinger D, Schlegel PN. Localization of inducible nitric oxide synthase (iNOS) in the normal and post-ischemic rat testis. Poster P-241 presented at the 52nd Annual meeting of the American Society for Reproductive Medicine, Boston, Massachusetts, November 2-6, 1996.
 71. Zini A, Schlegel PN. Selective destruction of Leydig cells induces lipid peroxidation in the seminiferous epithelium of the rat testis. Oral presentation O-153 at the 52nd Annual meeting of the American Society for Reproductive Medicine, Boston, Massachusetts, November 2-6, 1996.
 72. Colombero LT, Schlegel PN, Feliciano M, Papale ML, Goldstein M, Rosenwaks Z, Palermo GD. Different techniques to identify and label human round spermatids. Abstract 121 presented at the Twenty-second annual meeting of the American Society for Andrology, February 22-25, 1997, Baltimore, Maryland.
 73. Shin D, Goldstein M, Schlegel PN. Congenital absence of the vas deferens: An incomplete penetrance of cystic fibrosis gene mutations. Abstract (280) presented at the 92nd Annual Meeting of the American Urological Association, April 12-17, 1997, New Orleans, Louisiana.
 74. Sheynkin YT, Hendin BN, Schlegel PN, Goldstein M. Iatrogenic injuries causing obstruction of the vas deferens. Abstract (651) presented at the 92nd Annual Meeting of the American Urological Association, April 12-17, 1997, New Orleans, Louisiana.
 75. Lemack GE, Uzzo RG, Schlegel PN, Goldstein M. Microsurgical repair of the pediatric and adolescent varicocele. Abstract (780) presented at the 92nd Annual Meeting of the American Urological

Association, April 12-17, 1997, New Orleans, Louisiana.

76. Gardner TA, Lemer ML, Schlegel PN, Waldbaum R, Vaughan ED Jr, Steckel J. Microfocal prostate cancer: Biopsy cancer volume does not predict actual tumor volume. Abstract (1148) presented at the 92nd Annual Meeting of the American Urological Association, April 12-17, 1997, New Orleans, Louisiana.
77. Sheynkin YR, Schlegel PN, Goldstein M. Crossover microsurgical reconstructions for obstructive azoospermia. Abstract (1748) presented at the 92nd Annual Meeting of the American Urological Association, April 12-17, 1997, New Orleans, Louisiana.
78. Barmat L, Sills E, Kowalik A, Zaninovic N, Menendez S, Schlegel P, Veeck L. Testicular sperm from nonobstructed azoospermic males does not appear to alter preembryo morphology or IVF pregnancy outcome. Abstract (P-127) presented at the 1997 Annual Meeting of the American Society for Reproductive Medicine, October 16-21, Cincinnati, Ohio.
79. Palermo G, Schlegel P, Colombero L, Alonso M. Intracytoplasmic sperm injection (ICSI) in azoospermic men: pregnancy characteristics and neonatal outcome. Abstract (P-132) presented at the 1997 Annual Meeting of the American Society for Reproductive Medicine, October 16-21, Cincinnati, Ohio.
80. Zini A, Abitbol J, Schulsinger D, Goldstein M, Schlegel P. Restoration of spermatogenesis after scrotal replacement of experimentally cryptorchid rat testes: assessment of germ cell apoptosis and eNOS expression. Abstract (O-064) presented at the 1997 Annual Meeting of the American Society for Reproductive Medicine, October 16-21, Cincinnati, Ohio.
81. Zini A, O'Bryan MK, Cheng CY, Schlegel PN. Endothelial nitric oxide synthase (eNOS) on human spermatozoa. Abstract(61) presented at the 23rd Annual Meeting of the American Society of Andrology, March 26-29, 1998, Long Beach, California.
82. Schlegel PN, Pavlovich CP. Cost-effectiveness of male infertility treatments: A review. Abstract(1167b) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California. * - **Recipient, First Prize, Ambrose Reed AUA Socioeconomics Prize Essay Contest, 1998.**
83. Jungwirth A, Gomahr A, Joos H, Frick J, Moo-Young AJ, Nash H, Schlegel PN, Kuzma P, Bardin CW. Potent LHRH-agonist for testosterone deprivation (New mode of application). Abstract(494) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
84. McCallum SW, Choi BB, Schlegel PN, Goldstein M. Testicular sperm extraction at the time of radical orchiectomy for cancer in a solitary testis. Abstract(621) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
85. Su L-M, Palermo GD, Pavlovich CP, Zaninovic N, Liotta D, Ye Z, Veeck LL, Rosenwaks Z, Schlegel PN. Testicular sperm extraction with intracytoplasmic sperm injection for nonobstructive azoospermia: Testicular histology can predict success of sperm retrieval. Abstract(809) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
86. Brandell RA, Mielnik A, Liotta D, Ye Z, Veeck LL, Palermo GD, Schlegel PN. AZFb deletions predict the absence of sperm with testicular sperm extraction:A prognostic genetic test. Abstract(879) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
87. Rucker GB, Mielnik A, King P, Schlegel PN. Molecular characterization of genetic anomalies in men

- with non-obstructive azoospermia. Abstract(886) presented at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
88. Schlegel PN. Testicular sperm extraction: microdissection dissection improves sperm yield with minimal tissue excision. Abstract (O-070) presented at the 14th Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), June 21-24, 1998, Goteborg, Sweden.
 89. Pavlovich CP, Goldstein M, Schlegel PN. Testicular failure is associated with a medically treatable endocrinopathy. Abstract (O-017) presented at the 14th Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), June 21-24, 1998, Goteborg, Sweden.
 90. Brandell RA, Mielnik A, Liotta D, Ye Z, Veeck LL, Palermo GD, Goldstein M, Schlegel PN. Effect of partial Y chromosome deletions on results of treatment for severe male factor infertility. Abstract (O-021) presented at the 54th Annual Meeting of the American Society of Reproductive Medicine & 16th World Congress on Fertility & Sterility, San Francisco, California, October 3-9, 1998.
 91. Goldstein M., Janzen NK, Schlegel PN, Rosenwaks Z. Use of electively cryopreserved microsurgically aspirated epididymal sperm with IVF and ICSI for unreconstructable obstructive azoospermia. Abstract (O-330) presented at the 54th Annual Meeting of the American Society of Reproductive Medicine & 16th World Congress on Fertility & Sterility, San Francisco, California, October 3-9, 1998.

39. "Sperm retrieval techniques", "Preoperative and Genetic Evaluation of Infertile Male", (Faculty/presenter), UCLA IVF Course, Santa Barbara, California, July, 2004.
40. "Sperm retrieval techniques", "Preoperative and Genetic Evaluation of Infertile Male", (Faculty/presenter), SMRU Postgraduate course, Annual meeting of the American Society of Reproductive Medicine, October 16, 2004.
41. "Sperm retrieval techniques", "Preoperative and Genetic Evaluation of Infertile Male", (Faculty/presenter), UCLA IVF Course, Santa Barbara, California, July, 2005.
42. "Sperm retrieval techniques", "Preoperative and Genetic Evaluation of Infertile Male", (Faculty/presenter), UCLA IVF Course, Santa Barbara, California, July, 2006.
43. "Laparoscopic suturing", Postgraduate Course 13, Society of Reproductive Surgeons, American Society of Reproductive Medicine, New Orleans, LA, October, 2006.
44. "Vasovasostomy, vasoepididymostomy and sperm retrieval", Postgraduate Course, American Urological Association Annual Meeting, Anaheim, CA, May, 2007.
45. "Male evaluation: A guidelines based and practical evaluation", "Sperm retrieval techniques", UCLA IVF Course, Santa Barbara, California, July, 2007.
46. Surgical Demonstrations, Assaf Hospital, Israel, July 15th - Aug 1st 2007.
47. Reproductive Biology Seminar at Cornell, Ithaca NY, Oct 24-25, 2007.

Visiting Fellow/Professorships:

- 9/90 Visiting fellowship, September 23-26, 1990; Salzburg General Hospital, Salzburg, Austria
- 6/91 Visiting Professorship, June 15-19, 1991, Salzburg General Hospital, Salzburg, Austria
- 4/95 Visiting professorship, Departments of Urology & Obstetrics/Gynecology (School of Medicine), Division of Population Dynamics (School of Hygiene & Public Health), The Johns Hopkins Medical Institutions, Baltimore, Maryland, April 13, 1995.
- 11/95 Visiting professorship, Department of Obstetrics/Gynecology, Asaf Harofeh Hospital, Tel Aviv, Israel, November 26-30, 1995.
- 1/96 Visiting professorship, Department of Obstetrics/Gynecology, University of Pennsylvania Medical School, Philadelphia, Pennsylvania, January 24-25, 1996.
- 5/98 Visiting professorship, Department of Urology, McGill University, Montreal, Canada, May 5-6, 1998.
- 2/00 Visiting professorship, Oregon Health Sciences University, Oregon Urological Association Meeting, Bend, Oregon, February 2000.
- 10/01 Visiting Professor, New York Medical College, Valhalla, New York. October 1, 2001.
- 10/02 Visiting Professor, Invited Grand Rounds Presentation & Case discussions
Downstate Medical College, Brooklyn, NY
- 10/02 Wolf Visiting Professor, Baylor College of Medicine, Houston, TX, October 25-26, 2002.
- 10/03 Visiting Professor, University of Texas-Houston, Department of Urology, October 3-4, 2003.
- 06/05 Visiting Professor, University of Medicine & Dentistry of New Jersey, June 24-25, 2005
- 10/05 Visiting Professor, Beth Israel Medical Center, Department Of Urology, October 27, 2005
- 06/06 Visiting Professor for Residents Graduation Day, NYU Downtown Hospital, Department of Obstetrics & Gynecology, June 23, 2006
- 04/08 Visiting Professor, Kansas University Medical Center, Kansas City, Kansas, April 25-26, 2008.
- 01/09 Visiting Professor, University of California, Irvine Medical Center, Orange, California, January 8-10 2009

Invited Lectures:

- 3/92 No-Scalpel Vasectomy, IVF with micropuncture of the epididymis. 22nd Annual Advances in Urology. The Cleveland Clinic Foundation, March 5-6, 1992, Cleveland Ohio.
- 5/92 Applications of assisted fertilization for male infertility. Urology Grand Rounds, May 22, 1992, St. Luke's-Roosevelt Hospital, New York, New York.
- 10/91 Invited participant, International Workshop on Prostatic Cancer and Benign Hypertrophy. October 26-30, 1991, Sea Island, Georgia.

- 10/92 Diagnosis of Male Infertility, Presented at the New York Section meeting of the American Urological Association, Berlin, Germany, October 17-24, 1992.
- 11/92 Surgical technique for epididymal sperm retrieval. Abstract presented as part of a symposium on Epididymal Sperm Aspiration combined with Assisted Reproductive Techniques at the 48th Annual meeting of the American Fertility Society, November 2-5, 1992, New Orleans, Louisiana.
- 11/92 Discussion of prize-winning paper on Male Reproduction/Urology, Plenary Session II at the 48th Annual meeting of the American Fertility Society, November 2-5, 1992, New Orleans, Louisiana.
- 11/92 What every man needs to know about Prostate Cancer. November 8, 1992, Uris Auditorium, Cornell Medical College, sponsored by The Strang Clinic.
- 10/93 Epididymal microaspiration procedures. Roundtable discussion. The American Fertility Society, 49th Annual Meeting, October 9-14, 1993, Montreal, Quebec.
- 11/93 Prostate Cancer. Symposium: Prostatic diseases for the non-urologist. The New York Hospital-Cornell Medical Center, November 15, 1993.
- 4/94 Male Infertility. Obstetrics & Gynecology Grand Rounds. St. Peter's Medical Center, New Brunswick, New Jersey, April 27, 1994.
- 4/94 Male Cancers. Presentation for New York Chapter of Association of Operating Room Nurses, Beth Israel Medical Center. April 30, 1994.
- 5/94 POU-domain gene expression in the mammalian testis. Invited presentation at the Society for Basic Urologic Research meeting, session on male reproduction/andrology, May 14, 1994.
- 8/94 Determinants of IVF success for male factor infertility. Invited presentation, NIH Conference on Male infertility & impotence, Charlottesville, Virginia, August 2-5, 1994.
- 10/94 Infertility Update, 1994. Invited presentation at the 92nd annual meeting of the New York Section of the American Urological Association, London, England, October 1-7, 1994.
- 10/94 Urology Grand Rounds, invited lecturer & visiting professorship, Beilinson Medical Center, Sackler University Medical College, Tel Aviv, Israel, October 19-23, 1994. (Demonstrating microsurgical procedures for epididymal & testicular sperm retrieval, reconstruction of male reproductive tract obstruction and associated male infertility operations in conjunction with IVF unit.)
- 10/94 Male Infertility: Update, 1994. Urology Grand Rounds, University of California at San Diego, October 29, 1994.
- 10/94 Congenital absence of the vas deferens: Etiology, associated conditions & fertility treatment. Combined San Diego Urological & Reproductive Endocrinology Society, San Diego, California, October 27, 1994.
- 10/94 Prostate cancer: Killer or innocent bystander?; Radical retropubic prostatectomy: Anatomical considerations & surgical technique; Ejaculatory duct obstruction; Varicocelelectomy: Optimal surgical approach. Invited Presentations to Venezuelan Urological Society, Margarita Island, Venezuela, October 13, 1994.
- 11/94 Is IVF effective for male factor infertility? Invited presentation for the section of Male Reproduction/Urology at the 50th annual meeting of the American Fertility Society, San Antonio, Texas, November 5-10, 1994.

- 3/95 New techniques for sperm retrieval. Greater New York Urological Symposium at the New York Academy of Medicine. March 4, 1995, New York, NY.
- 4/95 Congenital absence of the vas deferens (Department of Urology); Localization and characterization of free radical scavenger expression in the male reproductive tract (Combined Urology/Ob-Gyn/Pop Dynamics rounds), The Johns Hopkins Medical Institutions, Baltimore, Maryland, April 13, 1995.
- 5/95 Invited speaker, Israel Fertility Association, Annual Meeting, Tel Aviv, Israel, May 1-3, 1995.
- 12/95 Invited speaker, Third Annual Scientific Meeting, Federation of Asean Urological Association, Jakarta, Indonesia.
- 1/96 "Reactive Oxygen Species and Nitric Oxide Synthase", Obstetrics and Gynecology Research Conference, University of Pennsylvania, Philadelphia, PA.
"Sperm Retrieval and IVF", Obstetrics-Gynecology Grand Rounds, University of Pennsylvania, Philadelphia, PA.
- 3/96 Invited speaker, INCIID (International Council on Infertility Information Dissemination) Conference, Orlando, FL, March 21-22, 1997.
- 3/96 Invited speaker, ESHRE Campus Symposium, Tel Aviv, Israel, March 27-28, 1996.
- 4/96 "Infertility," General Surgery Grand Rounds, North Shore University Hospital, Manhasset, New York, April 17, 1996.
- 5/96 Invited speaker, "Advances in Surgical Techniques for Prostate Cancer," Brachytherapy Conference, New York Hospital-Queens, Queens, NY.
- 10/96 Invited speaker, Austrian Conference for IVF and Assisted Reproduction, Telfs-Buchen, Austria.
- 10/96 Invited speaker, "Assisted reproductive therapies for men with cystic fibrosis," Cystic Fibrosis Meeting, Orlando, FL.
- 10/96 "Sperm retrieval and IVF," Urology Grand Rounds, SUNY Stony Brook, Stony Brook, New York, 10/18/96.
- 11/96 Invited speaker, "To cure or to treat: A urologist's perspective," Symposium for the Society for Reproductive Surgeons, presented at the 52nd Annual meeting of the American Society for Reproductive Medicine, Boston, Massachusetts, November 2-6, 1996.
- 12/96 "Prostate Cancer," Endocrinology Grand Rounds, Memorial Sloan-Kettering Hospital, New York, New York, December 11, 1996.
- 1/97 "Fertility in Men with Cystic Fibrosis", Cystic Fibrosis Center, College of Physicians & Surgeons of Columbia University, New York, NY.
- 2/97 "Advances in male infertility: MESA and TESE," presentation at The Rockefeller University, Symposium "Do you want to have a baby?" February 23, 1997.
- 3/97 "Management of men with non-obstructive azoospermia," New York Section, American Urological Association, Spring post-graduate seminar, The New York Academy of Medicine, New York, NY.
- 5/97 "Azoospermia", Urology Grand Rounds, Brookdale Hospital, Brooklyn, New York, May 21, 1997.

- 5/97 "Vas-vas anastomosis", Post-Graduate Course on Operative Andrology, VIth International Congress of Andrology, Salzburg, Austria, May 25, 1997.
- 6/97 "Intracytoplasmic sperm injection: Clinical aspects," NICHD/NABER Conference, June 19-20, 1997, Bethesda, Maryland.
- 10/97 "Genetics and Male Infertility", "Preimplantation Genetic Diagnosis". Invited presentation, Italian Society of Andrology, Rome, Italy, October 17-18, 1997.
- 1/98 "Gonadal sperm retrieval: Potential for testicular damage in non-obstructive azoospermia," invited presentation, Treatment of Infertility: The New Frontiers, Boca Raton, Florida, January 22-24, 1998.
- 1/98 "Possible pathologic effects of gonadal sperm retrieval," invited presentation, Serono Symposium, Paris, France, January 30-31, 1998.
- 2/98 "Testicular sperm extraction: Physiologic and anatomical considerations," invited presentation, Bonn Interdisciplinary Symposium on Sterility, February 7, 1998, Bonn, Germany.
- 3/98 "Surgical procedures for male infertility", invited presentation, RESOLVE meeting, New York, NY, March 8, 1998.
- 3/98 "Is ICSI a Genetic Time Bomb?(Debate): No - It is safe and effective," invited presentation, Pharmacia & Upjohn Clinical Debate at the American Society of Andrology Annual Meeting, March 26-29, 1998, Long Beach, California.
- 5/98 "ROS Scavengers in the male reproductive tract," May 5; "Considerations for men with non-obstructive azoospermia," May 6, 1998; McGill University School of Medicine, Montreal, Canada.
- 5/98 "Radical prostatectomy - Surgical advances & morbidity with current techniques," invited presentation, "Advances in the Diagnosis and Management of Early Prostate Cancer, May 8, 1998, New York, NY.
- 6/98 "When to proceed to ICSI - Point/Counterpoint," invited plenary session presentation at the 93rd Annual Meeting of the American Urological Association, May 30 - June 4, 1998, San Diego, California.
- 7/98 "Techniques in sperm retrieval," UCLA Course in In Vitro Fertilization, July 22, 1998, Santa Barbara, California.
- 9/98 "Is microdissection the best way to retrieve sperm in non-obstructive azoospermia?" ESHRE Campus Symposium, Tel Aviv, Israel, September 9-10, 1998.
- 9/98 "Newer concepts in prostate cancer: localized disease & hormonal therapy," Urology Grand Rounds, Medical College of Georgia, Augusta, Georgia, September 23, 1998.
- 10/98 "Evaluation of the infertile male: What is important?", "Alternative sources for sperm retrieval, electroejaculation, epididymal and testicular sperm retrieval" Tutorial in Andrology, Sao Paulo, Brazil, October 21-22, 1998.
- 10/98 "Perspectives on male infertility," Invited presentation to the Paulista Section, Urological Society of Brasil, Sao Paulo, October 22, 1998.
- 2/99 Visiting Professor, Department of Urology, University of Maryland, Baltimore, Maryland, February 5-6, 1999.

- 2/99 "Contemporary Evaluation and Treatment of the Infertile Male," "Management of Men with Non-obstructive Azoospermia," Presentations at the Maryland Urologic Society Meeting, Baltimore, Maryland, February 6, 1999.
- 2/99 Program Chairman, Resident's Debate Night, The New York Section of the American Urological Association, The New York Academy of Medicine, New York, NY, February 10, 1999.
- 3/99 "Treatment of severe male infertility," Presentation at the Annual RESOLVE meeting, Grand Hyatt, New York, NY, March 7, 1999.
- 6/99 Invited speaker, Orange County Urological Society Meeting, Newport Beach, California, June 17, 1999.
- 7/99 Keynote speaker, Klinefelter's Syndrome and Associates Meeting, Baltimore, Maryland, July 1, 1999.
- 9/99 Keynote speaker, "MESA/TESE: Results and the future," German Society of Andrology, Giessen, Germany, September 3-4, 1999.
- 9/99 "Hormonal therapy: What's New & What's the Truth," Invited speaker, Us Too Chapter, New York, NY, September 16, 1999.
- 9/99 "Management of men with non-obstructive azoospermia," "Sperm retrieval techniques for non-obstructive azoospermia," Round-table discussion and presentation, Annual Meeting of the American Society for Reproductive Medicine, September 25-30, 1999.
- 10/99 "Prostate Cancer: Panel discussion," Annual Meeting of the New York Section of the American Urological Association, Dublin, Ireland, October 17-21, 1999.
- 10/99 "Male infertility: Panel discussion," Annual Meeting of the New York Section of the American Urological Association, Dublin, Ireland, October 17-21, 1999.
- 2/00 Moderator, Resident's Debate Meeting, New York Academy of Medicine, New York, NY.
- 2/00 "Placement of Histrelin implants." Histrelin Investigator's Meeting, Phoenix, Arizona.
- 2/00 "Cost-effectiveness of male infertility treatments." "Non-obstructive azoospermia," "Genetic evaluation of male infertility"; Invited speaker;, Oregon Urological Association Meeting, Bend, Oregon.
- 2/00 "Sperm retrieval for non-obstructive azoospermia," Invited speaker, Pacific Coast Fertility Society Meeting, Palm Springs, California.
- 8/00 "Sperm retrieval for assisted reproduction" invited presentation, Bethesda, Maryland.
- 11/00 Sperm retrieval techniques, invited presentation, Serono visiting professor symposium, Cornell-IVF group, New York, NY.
- 11/00 "Male infertility", invited presentation, ATIME (patient group), Brooklyn, NY.
- 3/01 Presenter, Moderator; Section of Urology Spring Symposium
New York Academy of Medicine
- 4/01 Prevention & Early detection of Prostate Cancer"; Presentation, Strang Cancer Center
New York, NY

- 9/01 "Y Chromosome evolution", Alpha 2001, Invited presenter, Serono Symposium
New York, NY
- 10/01 "Varicocele in the Adolescent", Invited presenter, Mid-Atlantic Section of AUA, Annual Meeting
Hot Springs, WV
- 11/01 Invited speaker, Moderator; 30th World Congress on Fertility & Sterility
International Federation of Fertility Societies
Melbourne, Australia
- 9/02 Male factor infertility: Genetic Considerations, Invited presentation, Genetic Contributions in
Reproductive Medicine: Challenges and Opportunities, Sao Paulo, Brazil, Serono Symposium.
- 10/02 "The Y chromosome", "Preoperative evaluation of azoospermic patients including genetic testing",
"Sperm retrieval techniques", American Hospital of Istanbul 2002 Symposium, Istanbul, Turkey.
- 10/02 "Is the azoospermic man after chemotherapy sterile?", "Sperm retrieval techniques", invited speaker,
American Society for Reproductive Medicine Annual Meeting, October 12-16, 2002, Seattle,
Washington.
- 10/02 "Non-obstructive azoospermia – clinical review", "Genetic aspects of male infertility – effects on
outcome", "PIASxalpha in spermatogenesis", invited lectures, Baylor College of Medicine, Houston,
Texas.
- 10/02 Ethicon invited lecture (Plenary session), "Sperm retrieval in Non-obstructive azoospermia," American
Society of Reproductive Medicine Annual Meeting, Seattle, Washington, October 13-16, 2002.
- 10/03 "TESE – Surgical Techniques", Reinier de Graaf Symposium, Academic Medical Center, Amsterdam,
The Netherlands, October 8-9, 2003.
- 11/03 "Male infertility: new advances", Combined Urology and Ob/Gyn Grand Rounds, New York University
School of Medicine, New York, NY, November 5, 2003.
- 9/04 "Functional testicular anatomy", 1st Annual International Symposium of Reproductive Medicine, Turkish
Reproductive Medicine Society, Istanbul, Turkey, September 22-25, 2004.
- 9/04 "Sperm retrieval techniques", 1st Annual International Symposium of Reproductive Medicine, Turkish
Reproductive Medicine Society, Istanbul, Turkey, September 22-25, 2004.
- 9/04 "Genetic evaluation of male infertility", 1st Annual International Symposium of Reproductive Medicine,
Turkish Reproductive Medicine Society, Istanbul, Turkey, September 22-25, 2004.
- 10/04 "Treatment of men with azoospermia after chemotherapy", Forbeck Cancer Conference, Chatham, MA,
October 1-2, 2004.
- 9/05 "Radiation and Surgical Therapy" Evolving Strategies in Prostate Cancer. New York, NY, September
23-24, 2005
- 10/05 "Innovations in Urology 2005" The Borgata, Atlantic City, NJ, October 21, 2005
- 11/06 "Klinefelter Syndrome", Department of Pediatrics, Columbia Presbyterian Medical Center, November 21,
2006.

- 4/08 "Testosterone, the Prostate, and the Testis: From Huggins to New Tech Treatments for Male Infertility". Urology Grand Rounds, The University of Kansas Medical Center, Kansas City, Kansas, April 25th,2008
- 05/08 Invited speaker, Center for Research in Reproductive Physiology Seminar, University of Pittsburgh, Pittsburgh, PA, May 21-22, 2008
- 09/08 "Microsurgery in Male Factor Infertility", Pacific Centre for Reproductive Medicine Grand Rounds, Vancouver Canada, September 23-24, 2008
- 10/08 Invited speaker, JSRM (Japan Society for Reproductive Medicine) 53rd Annual Meeting, Kobe, Japan, October 22-24, 2008.

Broadcast Interviews:

- 10/91 WCBS-TV, "Cocaine adherence to spermatozoa"
- 3/92 Syndicated radio interview (Cornell University), "Prostate Cancer."
- 9/94 WCBS-TV, "Treatment of localized prostate cancer."
- 1/95 WCBS-TV, NY 1 News, WNBC-TV, WABC-TV, UPN, Ch. 41, 47;
CBS This Morning, The Today Show (NBC), Nightwatch (CBS)
WCBS, WINS, WABC, BBC radio; "Post-mortem sperm retrieval"
- 2/95 Syndicated radio interview (American Cancer Society), "Testicular Cancer"
- 10/95 Wall Street Television (cable-syndicated), "Prevention of Prostate Cancer."
- 12/95 "Epididymal sperm retrieval", Indonesian National Television, December 10, 1995.
- 6/97 The Today Show, National Broadcasting Company.
- 4/98 CBS Morning News, "Testicular sperm retrieval for Klinefelter's Syndrome."
- 5/98 Body Human 2000, produced for CBS Television.
- 5/98 "Viagra", Fox Television.
- 2/04 "Advanced fertility treatments", The Today Show, NBC
- 2/05 "Sperm cryopreservation," The Today Show, NBC
- 4/05 "Urinary sepsis and the Pope", The Early Show, CBS
- 11/06 "Testosterone replacement", CBS Evening News with Katie Couric
- 12/07 "Giuliani: Prostate Cancer", WABC-TV
- 6/08 "Male fertility and aging", SIRIUS radio

7/08 "Male fertility and birth defects with increased age", ABCNews.com

Patents

Isolated DNA molecule encoding Sprm-1 protein, U.S. Patent 5,612,220, March 18, 1997 (Bogi Andersen, Richard Pearse, Peter N. Schlegel, Michael G. Rosenfeld, C. Wayne Bardin.

MESA micropipet holder, U.S. Patent Number 08/801,800, Peter N. Schlegel, Philip S. Li, Marc Goldstein.

Force-measuring Silicon Microprobe and Uses Thereof, Abishek, Schlegel, Lal., International patent WO 2008/151328 A2.
