Citizenship: U.S.

Optional Information:

Birth place: New York, NY

B. EDUCATIONAL BACKGROUND

(Degree(s)(B.A. and above), institution name and location, dates attended, and date(s) of award). If you have an international medical degree, indicate whether or not it has been converted to the M.D. by New York State Department of Education.

<i>Degree</i>	<i>Institution name, city and state</i>	<i>Dates attended</i>	<i>Year Awarded</i>
M.D.	Albert Einstein College of Medicine New York, NY	1991-1994	1994
B.S. Biology	State University of New York Binghamton, NY	1986-1990	1990

C. PROFESSIONAL POSITIONS AND EMPLOYMENT

(In chronological order beginning with post-doctoral training positions; include full titles, ranks and inclusive dates held)

Post-doctoral training including residency/fellowship

<i>Title, Institution name, city and state</i>	<i>Dates held</i>
General Surgery Internship University of Maryland School of Medicine Baltimore, Maryland	1994-1995
General Surgery Second Year Resident	1995-1996

University of Maryland School of Medicine
Baltimore, Maryland

Urologic Surgery Resident 1996-1999

University of Maryland School of Medicine
Baltimore, Maryland

Urologic Surgery Chief Resident 1999-2000

University of Maryland School of Medicine
Baltimore, Maryland

Fellowship in Minimally Invasive Urologic Surgery Laparoscopy/Endourology 2000-2001

The New York-Presbyterian Hospital of Cornell University
New York, NY

Academic positions (teaching and research)

Title, Institution name, city and state

Dates held

Instructor in Urology

2000-01

Director, Laparoscopic Living Kidney Donor program
Weill Cornell Medical College of Cornell University
New York, NY

2001-2007

Assistant Professor of Urology

Director, Laparoscopic and Minimally Invasive Urology
Director, Laparoscopic Living Kidney Donor program
Weill Cornell Medical College of Cornell University
New York, NY

Associate Professor of Urology

2007-Present

Director, Laparoscopic and Minimally Invasive Urology
Director, Laparoscopic Living Kidney Donor program
Weill Cornell Medical College of Cornell University
New York, NY

Hospital positions (e.g., attending physician, if applicable)

Title, Institution name, city and state

Dates held

Assistant Attending Urologist

2001-2007

New York-Presbyterian Hospital, Cornell
New York, NY

Associate Attending Urologist

2007-Present

New York-Presbyterian Hospital, Cornell
New York, NY

Employment (other than positions listed above)

Title

Institution name, city and state

Dates held

D. LICENSURE, BOARD CERTIFICATION, MALPRACTICE (if applicable)

Licensure

<i>State</i>	<i>Number</i>	<i>Date of Issue</i>	<i>Date of last registration</i>
National Board of Examiners	4-006-708-4		
New York	217223	4/20/2000	12/2007
Maryland	D0052527	09/02/1997	09/30/2002
DEA number	DB5591626		

Board Certification

<i>Full Name of Board</i>	<i>Certificate #</i>	<i>Date (MM/DD/YY)</i>
The American Board of Urology	13042	2003

Malpractice Insurance

Do you have Malpractice insurance? Yes

Name of Provider: MCIC

Premiums paid by: *(self/ group/ institution (give name of group/institution))*
NewYork-Presbyterian Hospital

E. PROFESSIONAL MEMBERSHIPS (medical and scientific societies)

<i>Member/officer title</i>	<i>Name of Organization (Full name, no abbreviations or acronyms)</i>	<i>Dates held</i>
Member	American Urological Association	2001-present
Member	American Academy of Clinical Urologists	2001-present
Member	Society of Laparoendoscopic Surgeons	2001-present
Member	Endourologic Society	2000-present

F. HONORS AND AWARDS

<i>Name of award</i>	<i>Date awarded</i>
Best Doctors in America	2007-2008
Best Doctors in America	2005-2006
Best Urology Video <i>The New York Experience of Robot-Assisted Pyeloplasty.</i> 13 th International Congress of Laparoendoscopic Surgeons, SLS Annual Meeting New York, New York	2004
Honorable Mention – Best Scientific Paper	2004

Laparoscopic live donor nephrectomy: Donor tolerance and renal allograft outcomes stratified by age.

13th International Congress of Laparoendoscopic Surgeons, SLS Annual Meeting
New York, New York

First place – Best Urology Paper 2003

Minimizing the incidence of vascular complications during right sided laparoscopic live donor nephrectomy

12th International Congress and Endo Expo, SLS Annual Meeting, Las Vegas, Nevada

U.S. Surgical Laparoscopy Scholar 2000

Pfizer Scholar in Urology 2000

The Society of Laparoendoscopic Surgeons Resident Achievement Award 2000

Travel grant – Resident Essay Contest 1999

Loss of cell cycle regulators p27^{Kip1} and cyclin E in transitional cell carcinoma of the bladder correlates with tumor grade and patient survival

3rd Annual SBUR Meeting, Paris, France.

First place - Resident Essay Contest 1999

Loss of cell cycle regulators p27^{Kip1} and cyclin E in transitional cell carcinoma of the bladder correlates with tumor grade and patient survival

57th Annual Mid-Atlantic Section, AUA, Hilton Head, SC

First place – Resident Essay Contest 1998

Helical CT arteriography for evaluation of living renal donors undergoing laparoscopic nephrectomy

56th Annual Mid-Atlantic Section, AUA, West Palm Beach, Florida

Travel grant – Resident Essay Contest 1998

Laparoscopic donor nephrectomy: The first 200 cases

56th Annual Mid-Atlantic Section, AUA, West Palm Beach, Florida

Third place – Resident Essay Contest 1997

Treatment of radiation induced hemorrhagic cystitis with hyperbaric oxygen

1997 Mid-Atlantic Section, AUA, Hot Springs, Virginia

Outstanding Achievement in Research 1994

Albert Einstein College of Medicine

G. INSTITUTIONAL/HOSPITAL AFFILIATION

Primary Hospital Affiliation: New York Presbyterian Hospital, Cornell

H. EMPLOYMENT STATUS

Name of Current Employer(s): Weill Cornell Medical College of Cornell University

Employment Status (*select from below*): Full-time salaried by Cornell

- Full-time salaried by Cornell
- Full-time salaried at Cornell-affiliated hospital
- Part-time salaried at Cornell
- Part-time salaried at Cornell-affiliated hospital
- Voluntary (self-employed or member of a P.C.)
- Other non-salaried

I. CURRENT AND PAST INSTITUTIONAL RESPONSIBILITIES AND PERCENT EFFORT

Teaching (<i>e.g., specific teaching functions and courses taught</i>)	Dates
Lecturer- Resident Basic Science Conference	7/01-present
Resident Clinic Covering Physician	7/01-present
Medical Student Lecturer: Kidney stone basic science	7/01-present
Clinical Care (<i>duties</i>)	Dates
Director, Minimally Invasive Urology Responsibility for resident education and skill development In minimally invasive laparoscopic renal surgery including donor nephrectomy for renal transplantation and extirpative and reconstructive surgery for renal disease	7/01-present
Staffing of resident clinic on weekly basis	
Administrative duties (<i>including committees</i>)	Dates
Operating Room Technology Committee Member	7/03-present
Research (<i>list and describe research projects</i>)	Dates
Clinical research and maintenance of a large data base for the Brady urology clinical experience in minimally invasive urologic surgery	7/01-present

Current percent effort	%	Does the activity involve WMC students/researchers? (Yes/No)
<u>Percent effort</u>		
Teaching	25%	Yes
Clinical Care	65%	Yes
Administration	5%	Yes
Research	5%	Yes
Total	100%	

J. RESEARCH SUPPORT (past and present)

(Summarize past research support and list the following for current extramural and intramural research funding)

<i>Source</i>	<i>Amount</i>	<i>Date (duration of support)</i>	<i>Name of Principal Investigator</i>
---------------	---------------	-----------------------------------	---------------------------------------

Individual's role in project including percent effort

K. EXTRAMURAL PROFESSIONAL RESPONSIBILITIES

(e.g., Journal reviewer, NIH study section, etc.)

Editorship Current Urology Reports, Adrenal Diseases Section	2004-present
Faculty Instructor American Urological Association Annual Meeting <i>Introduction to Laparoscopy Course</i>	2002-2006
Faculty Instructor American Urological Association Office of Education Houston, TX <i>AUA Hand Assisted Laparoscopy Course</i>	2001-2006

L. BIBLIOGRAPHY

Entries should follow standard journal format, listing all authors, complete titles and inclusive pagination. Number the entries and put your name in bold type. The listings must be organized in chronological order within the following categories:

Articles in professional peer-reviewed journals - include only articles that have been published or are in press. Articles submitted for publication should not be included.
